

## **Petersfield CW (10.0 miles)**

**With your back to the Triangle Centre facing the War Memorial, exit the carpark through the left hand exit and straight over the road into and along Old School Road opposite. At the far end bear right then left along the footpath under the arch into the park turning immediately right along the path, through the carpark and out the main gate.**

**Turn left onto Hill Brow. Follow for 0.5 mile then turn right into Stodham Lane, located just before the bend chevrons on the right hand side of the road. Follow Stodham Lane, keeping right slightly uphill at the track junction until it becomes tarmac again – This is the end of the social mile!**

**Turn left up Puetts Lane (not signed) for 0.5 mile to its conclusion at the T-junction. Turn right onto London Road following the right hand edge (facing oncoming traffic) picking up the footpath alongside into Sheet.**

**At the staggered crossroad 0.1 miles beyond the Half Moon Pub, turn left into Pulens Lane. Follow for 1.2 miles passing Petersfield Heath on the right to its conclusion at the T-junction.**

**At the T-junction turn right along Sussex Road, in direction of Heath Pond brown sign for 0.7 miles to the crossroads near the filling station. Go straight over following Hylton Lane for 0.2 miles, turning right into Sheep Street, located near a large wall on left, and a yellow painted house on right. At the far end of Sheep Street keep to the left footpath keeping Petersfield Square to your right. At the road turn left and continue to follow as it bends right becoming Chapel Street.**

**At the far end of Chapel Street go straight over the crossroad into Tilmore Road. Follow Tilmore Road for 0.5 miles bearing right by Steep House Nursing Home, do not turn right into Tilmore Gardens but continue up another 0.1 mile to take the second part of the double right junction into Reservoir Lane.**

**Follow Reservoir Lane for 0.6 mile as it winds downhill and over the level crossing, becomes Kingsfersden Lane from there on, to reach the T-junction. Here turn left along the pavement to the roundabout.**

**Keep left at the roundabout, crossing over the road signposted London/Portsmouth A3, aiming to take the path left up behind the railings on the opposite side.**

**At the top off the path drop right onto the road and follow downhill into Sheet. Take the left hand fork at the bottom passing the church on your right and continue on ignoring the road left towards Steep. Go under the railway bridge and continue a further 0.3 mile to take the tarmac foot and cycle path right about half way around a left hand bend towards the A3.**

**Keep to the footpath along the A3, crossing over the end of Tankerdale Lane, staying right along the slip road and onto the road passing the Garden Centre to you right. Follow the road right then left to the T-junction. Turn right, then take the next right into Andlers Ash Road.**

**Go over the level crossing and keep on Andlers Ash Road for 0.6 mile to its conclusion at the T-junction. Go straight over and through the gates into the carpark opposite. From here do the reverse of the outbound route, picking up the footpath left through the archway after the carpark, then following Old School Road to its end, cross over Rake Road back to the Triangle Centre opposite.**
