With your back to the Triangle Centre facing the War Memorial, exit the carpark through the left hand exit and straight over the road into and along Old School Road opposite. At the far end bear right then left along the footpath under the arch into the park turning immediately left along the path. Keep left at the first junction to pass between the tennis courts and the pond. Turn right at the path T-junction, then left along the footpath parallel with the road. Cross over the next road junction, then after 0.1 mile take the footpath left between the houses just as the road bends right.

At the end of the footpath turn right onto Huntsbottom Lane for 0.25 mile then at the four way junction (private property straight over) go right up Woodlands Lane to the T-junction at the top. Here go left up Hillbrow Road for 0.4 mile to its conclusion at the staggered crossroads. Go straight over towards the Jolly Drover PH – This is the end of the social mile!

Continue along the road into West Sussex for 1.1 miles. Turn right at the next staggered crossroads towards Rogate. Follow the road downhill for 1.2 miles as it bends left then right to reach the crossroads in Rogate with the church opposite.

Here go straight over, sign posted Nyewood and Harting. Follow for 0.4 miles taking the lane left a short distance after 'Lower Meads', almost doubling back on yourself, very easy to miss!!

Pass by the 6' 6" width restriction sign and continue uphill for 0.4 miles back to the A272. Here carefully cross the road and pick up the footpath right behind the hedge line. After 0.1 mile turn left up Fyning Lane, signpost for Terwick Common.

Follow Fyning Lane uphill for 1 mile ignoring driveways and roads off to its conclusion at the T-junction. Turn left for 1.2 miles to reach the staggered crossroads ...you may recognise this location from before! Here turn right following along the hedge to your right, do not go left for Hillbrow, Liss etc., drop downhill passing the mountain biking area to your left. Go straight over the crossroads signposted Liphook and Rake and follow for 1.1 miles to the T-junction opposite the Flying Bull PH.

Carefully cross over the road and turn left uphill for 1 mile to reach Huntsbottom Lane, located just after Milkwood Residential Care Home. Turn right into Huntsbottom Lane, and follow steeply downhill for 0.5 mile, taking the right hand fork at the bottom ...again you may recognise this location from before!

Towards the end of Huntsbottom Lane ignore the footpath taken on the way out but continue on taking the left hand road fork down to the T-junction. Here turn left through Liss for 0.3 miles, the Triangle Centre will be on your right.
