It will be based from and old road section opposite the turn off to Durleighmarsh Farm shop turn off, off the A272 from Sheet to Rogate – as the line map above. What three words location : jaws.tasks.represent. Also look out for the large yellow with black arrow sign on the day. Meet up at 10am.

The run will be around 5 and a half miles long, led by Tom and run at the speed of the slowest. Photo. Opp. Available in a few places around the middle of the run.

The walk will be following clear written instructions around 3 and a quarter miles long.
